### EDUCATION

---

The University of Texas at Dallas – Richardson, TX

**Bachelor's Degree in Computer Science • Certificate in Data Science**

**May 2024- December 2027**

### EXPERIENCE

---

iCode School Franchise – Richardson, TX

**October 2025 - Present**

#### **Instructor**

- Teaching programming and technology concepts to students such as Java, SQL, Python, Cybersecurity, etc., through hands-on projects and mentor students through coding challenges and collaboration to strengthen their technical foundation and soft skills.

**Google Developer Student Club** - Richardson, TX

**January 2026 - Present**

#### **Backend Developer**

- Working in a team of 4 to develop an application that provides real-time smart reminders about events happening around you such as weather, news, and personal reminders about daily activities.
- Implemented using Google tech stack such as FastAPI, Uvicorn, Firebase, Google Gen-AI, data parser, etc.

**Capital One** - Plano, TX

**January 2026**

#### **Tech Summit Participant**

- Selected from a pool of 500+ applicants to participate in a week long technology summit; gained experience in full-stack development, API's, React, Arduino, Git, and Express.js., and employed these skills in a hackathon.
- Created a mobile app - SubSlash - an AI subscription manager that helps you track and suggest subscriptions .

**Association of Machinery and Computing (ACM)** – Richardson, TX

**February 2025 - May 2025**

#### **Frontend Developer**

Developed CoDriver - a 100% voice-driven AI mobile assistant app designed to enhance driver safety and reduce distractions, resulting in a 35% decrease in driver-screen interactions and crashes due to drowsy driving.

- React Native to develop frontend, MongoDB for database (user preferences and login, and chat history)
- Express.js and Node.js for backend and API's such as Google Maps, Spotify, Weather, and Claude AI

**KiTNETiC (Non-profit)** – Plano, TX

**June 2024 - April 2025**

#### **Web and Graphic Designer**

- Designed and maintained the organization's website and visual branding using HTML, CSS, Figma, Canva, and Weebly, and developed logos and marketing materials to support outreach and organizational initiatives.
- Collaborated with leadership to support volunteer coordination and STEM outreach events, delivering user-friendly digital resources.

**KidZania Dallas** – Frisco, TX

**May 2024 - August 2024**

#### **Establishments Worker**

- Led interactive activities and role-play experiences for children ages 4–14, ensuring engagement, safety, and educational value, while collaborating with team members to maintain smooth daily operations in a fast-paced, family-focused environment, along with effective customer service.
